Project Report:
Date: Mar 28, 2018
Member: Zewei Chen, Travis Bergmann, Qiye Chen, Ranran He, Xuanyu Li
Sprint: 4

Here are several things we need to do:
1. Playlist (add, delete, edit, share)
2. Comment (edit, delete)
3. Rating (More accurate)
4. Most 5-recent update, and top 5 rating
5. Update user profile

When those tasks are done, we are ready for the release.
